WELCOME

Discover the warm inviting ambiance of Wintergreen Resort and Convention Center where the moment you enter it's as if you've stepped back into an era of Victorian charm and hospitality reminiscent of the past.

This charming hotel features immaculate guest rooms expanding on the elegant Victorian decor. Many rooms and suites have in-room whirlpools, and the larger suites are able to accommodate up to eight people.

For years Wintergreen Resort has remained one of the Wisconsin Dells most noted destinations catering to businesses, individuals, couples, families, sports teams, brides, and groups ranging from 10 to 500. We are proud to say we have some of the finest staff in the industry—perhaps that is why Wintergreen Resort is ranked one of Wisconsin Dells *best for businesses*, and why so many families and businesses return time after time whenever they wish to work or play in Wisconsin Dells.
